Snow Creek Lodge #506 – 2 Bedroom + Loft – Pet Friendly

Planning a ski vacation at Fernie Alpine Resort but need to find something dog friendly? Well look no more because you have just found the most amazing accommodation on the mountain! This ski-in/ski-out 2 bedroom plus loft classic Canadian log cabin is tucked into the woods above Snow Creek Lodge. Whether you're one or two families or a group of friends, you have found the perfect place that will sleep up to 8!

The main level has an open concept, hardwood floors, a cozy living room with natural gas fireplace, a dining room table with benches and chairs and a kitchen that begs you to cook to your heart's content! Above the kitchen is the loft overlooking the living room. There is a privacy screen, a comfy queen sized bed, a clawfoot bath tub and a small bathroom. leading out from this floor is also an expansive deck with an outdoor dining space perfect for entertaining during the warmer months!

The lower level has a Double bed in the one bedroom and 2 sets of Twin Bunk Beds in the second bedroom. This floor is also where the main bathroom with shower is located and where you access the private hot tub and bbq. Staying in one of these very sought after Snow Creek Cabins, you will also have access to the heated outdoor pool at Snow Creek Lodge....you'd best book now...where else would you rather be??

****one off \$45.00 plus tax fee would be added to the overall total of your reservation ****
