Thunder Ridge Chalet #5 – Ski-In/Ski-Out, Hot Tub

This stunning ski-in/ski-out Thunder Ridge Chalet with recently renovated kitchen, bathrooms, and living area is located just moments away from the Elk Quad Chairlift. Once you stay in Thunder Ridge 5 you will want to book it right away for your next vacation ...anticipating more beautiful Fernie evenings soaking in the warmth of your very own private hot tub while your dinner sizzles on the BBQ or roasts in the oven.

The upper level features the master bedroom with a queen size bed and a large closet. The newly renovated en-suite bathroom boasts a custom designed rain shower and stone vanity. The second and third bedrooms each have a queen size bed and share a common bathroom. The lower Level has 2 tri-bunks, both with a twin over a double bed. The main level showcases the living room with gas fireplace, a beautiful kitchen with stainless steel appliances and granite counter tops and an elegant dining area. This level is also where you can access the private hot tub and BBQ on the rear deck. Parking is available for 3 vehicles, 1 in the garage and 2 outside the garage on the driveway. You will also have access to the heated outdoor swimming pool at Timberline Lodges
