Timberline Lodge – King Fir Building – T417 – 2 Bedrooms

This spacious condo is located on the end of the lower level of the King Fir Lodge at the Timberline Lodges complex. Connected to the main lodge that houses the pool and hot tub, this 2-bedroom, 2-bathroom condo with a full kitchen is a great choice for families desiring convenience and was renovated in the Fall of 2018. There is a Queen bed in the master suite and 2 x Twin beds in the second bedroom. Setup to accommodate up to 6 guests, there is an additional sofa pullout in the living room. This suite also comes complete with air-conditioning for the summer, and a gas fireplace during the winter.

The Timberline Lodges complex is located at the base of Fernie Alpine Resort, within walking distance of the chairlifts and resort village area. The amenities at Timberline Lodges include an outdoor heated pool, outdoor hot tubs, BBQ areas, fitness room for ultimate relaxation after a day on the mountain.
